

TGD® TYROLIT Diamond Tools

 High Quality Made in Austria

TGD® – TYROLIT GRAIN DISTRIBUTION

Durable. Fast. Efficient.

TYROLIT diamond tools with TGD® Technology feature intelligently distributed diamonds that enable even load distribution, optimised cooling and a constantly high cutting performance. This significantly extends the tool lifetime and the load on the machines is reduced.

Your advantages:

- + Long lifetime
- + High cutting ability
- + Enhanced efficiency
- + Fast availability through production in Austria

TGD® segment

Conventional segment

The TGD® assortment
